Shop inserted in a residential building, with several storefronts for the front of the building, which gives the property a lot of light despite being a basement, with a floor area of 123 m2. Consisting of a very large space, a bathroom, pantry and storage room, due to the ample space there is the possibility of creating several offices / offices that allow several aspects of business. Ceramic floor throughout the store.

Following the trajectory of rising prices in the surrounding areas of Lisbon, which began in the last quarter of 2019, the south bank is already experiencing one of the highest real estate growths at the moment. Its privileged location gives it versatility making it the right investment for the rental market or for own housing.

In terms of location, it is located in a very central residential area, 400 meters from Santo André Secondary
