We present you a plot of land with an approved project for the construction of a building with 4 floors and 8 dwellings.

Imagine living in the tranquility of the countryside, with all the comfort and convenience, just 20 minutes from the most beautiful beaches of Costa da Caparica and Arrábida. With easy access to the highway, being only 30 minutes from Lisbon.

Following the trajectory of rising prices in the surrounding areas of Lisbon, which began in the last quarter of 2019, Barreiro is already registering one of the highest real estate growth rates of the moment. Its privileged location gives it versatility, making it the right investment for the rental market or for home ownership.
